Education

R.M.D Engineering College | Chennai
B.Tech Information Technology | 04/2026

Sri Venkateshwara Matric. Hr. Sec. School | Chennai
HSLC | 05/2022

Sri Venkateshwara Matric. Hr. Sec. School | Chennai
SSLC | 05/2020

Experience

codesapiens.in | Student Community | Chennai
Development Head and Backend Developer | 01/2024 - Present

Developed an open-source project for Codesapiens, integrating Django, Firebase, and React.js to build a secure, scalable platform. Focused on backend development while enhancing user experience, collaborating effectively in an open-source environment.

Key Responsibilities:

- Led backend development and API integration.
- Managed student developers, ensuring project delivery.
- Optimized system performance and database design.

Skills

HTML5, CSS3, JavaScript, React.js, Django, Flask, MySQL, PostgreSQL, Git, GitHub, Domain and Hosting Management

Projects

[CodeSapiens - Summer of Code](#):

Developed the backend for Codesapiens Summer of Code, enabling students to contribute to open-source projects and earn credits. Built with Django, React, and Firebase, featuring authentication, project tracking, and contribution evaluation.

[Planthino - Ecommerce](#):

Planthino is an online marketplace for plants, gardening tools, and accessories, offering seamless customer, order, and inventory management. It allows plant enthusiasts to explore, learn care tips, and purchase effortlessly.

[Digital Attendance:](#)

Developed a digital attendance system with real-time data collection and secure user authentication. Built with Django for scalable record management, ensuring accuracy and efficiency in attendance tracking.

Achievements

Winner in Startup Pitch held at VIT, Ponneri, Winner in Mini Project contest held at R.M.D.E.C, Winner in Adzap contest held at R.M.D.E.C
